"Sharing – Tips and Tools for Virtual Event"
[1 CPD Hour]

Due to the Covid-19, the virtual events are prospering, and drastically change the training delivery landscape. As said by the well-known British Architect Norman Foster, "Instead of change, it (Covid-19) has merely hastened, accelerated trends of change that were already apparent before the pandemic."

ITP would like to invite you to join our first virtual sharing with the objective of enabling you to grasp the practical tips and tools for virtual event.

Topics involved:
- Video conferencing tools (Zoom, Teams, Google Meet)
- Facilitation tools to engage the audience (Slido, Google Jamboard, Miro, Mural)
- Practical tips when running the virtual events

Facilitator:

Mr Don Chan has been working as people and organisation development professionals for more than 14 years in numerous, sizeable companies from property management, retailing, engineering, telecommunications and catering industries.
